BINZHOU MEDICAL UNIVERSITY

2025 Autumn Binzhou Medical University Admission Brochure for International Students

Binzhou Medical University

- ◆ Binzhou Medical University (BMU) is a public provincial university of applied sciences, co-constructed by Shandong Provincial Education Department and local municipal governments. It has been granted the approval to be a doctoral degree-conferring institute by Shandong Province.
- ◆ The university forms a development structure of “**Two Advantages and Two Features**”. A total of four disciplines, namely Medicine, Pharmacology and Toxicology, Chemistry, and Biology and Biochemistry topped 1% of ESI ranking.
- ◆ Binzhou Medical University has established friendly ties and cooperation with international and domestic higher education and medical institutions, namely, German Sports and Health University, Tver State University, Saint Joseph’s University, Victoria University of Wellington, University of Southern Denmark, Peking University, Fudan University, Zhejiang University and Shanghai Jiao Tong University.
- ◆ In 2002, the university was granted the qualification of enrolling international students in China. Currently, undergraduate and graduate students from 20 countries, including Pakistan, Ghana, Italy and Russia, are studying in the university.
